LB 136, 230, 246, 392-409
LR 6

know, with the events that are surrounding us, that are going on today in the world, it makes kind of a subdued atmosphere around here, and it makes it seem rather insignificant some of the things that we are doing here, when you have something that major going on in the world. And as for the Legislature, I think we should also show our support for the troops who are fighting that war and, especially, the troops that are there from Nebraska because we do have a number of them from Nebraska. So with that in mind, I would like to have all of us stand and observe a moment of silence in support of our troops there. Thank you, Madam President and colleagues.

PRESIDENT MOUL: Thank you, Speaker Baack. Let's stand at ease.

EASE

CLEPK: Madam President. (Read LBs 392-408 for the first time by title. See pages 248-51 of the Legislative Journal.)

Madam President, a new constitutional amendment, LR 6 offered by Senators Will and Hall. (Read a brief explanation. See pages 252-53 of the Legislative Journal.) That will be referred to Reference Committee.

Last bill of the morning, Madam President, LB 409. (Read for the first time by title. See page 252 of the Legislative Journal.)

I have a series of adds: Senator Horgan would like to add his name to LB 136, Senator Schimek to LB 230, Senator Rogers to LB 246.

PRESIDENT MOUL: No objections, it will be so ordered.

CLERK: I believe that is all that I have, Madam President.

PRESIDENT MOUL: And I have no further messages on the desk. I will recognize Senator Hillman for a motion.

SENATOR HILLMAN: Madam President, I move that we adjourn until Friday, the 18th at 9:00 a.m.
